

PREGRA[®] PROS

Thank you for your interest in becoming a part of the PreGraPRO team!

PreGra sets itself apart from any others by providing you with a unique opportunity to be in control of the growth of your company.

PreGra is here to provide you with the support, promotion and expertise necessary to help you develop and expand your business.

Any idea how many leads can be generated in your area?

We know - and we're willing to share them, with you!

PreGra provides you the knowledge and the tools to succeed. PreGra is NOT a franchising company, THERE ARE NO FEES, EVER*. We are looking for highly motivated companies and individuals interested in design and estimating.

If joining our PreGra PRO program interests you; you should:

- have landscape retailing and/or landscape installation experience.
- have the proper licenses, insurance, and experience to run your business
- tools and equipment necessary to perform installation

*** ALL at the highest level of quality to perform beyond the expected.**

As a PreGraPRO™ you will have many opportunities to expand your artificial grass business through our unique advertising rebate program and the **PreGra™ Lead Program**. **Costco Wholesale**, our exclusive source for artificial grass materials, insures that we have a credible and influential source for quality leads, promotional and marketing support! Your local Costco Wholesale Club locations ALL become your new marketing partners, overnight!

877-4-PREGRA | 877-477-3472

***You will BE RECOGNIZED
as a member of an
elite group of installers;
STRONGLY RECOMMENDED TO
COSTCO MEMBERS BY COSTCO, directly;
focusing upon professional quality design
and project installation integrity.***

PREGRA[®] PROS

Why would you want to be a PreGraPRO?

You will be connected to the best artificial grass manufacturer in the business. **PreGra represents the highest quality, best prices, and widest selection of USA Made artificial grasses.** You will receive the best support, training, delivery and advertising in the artificial grass business, bar none.

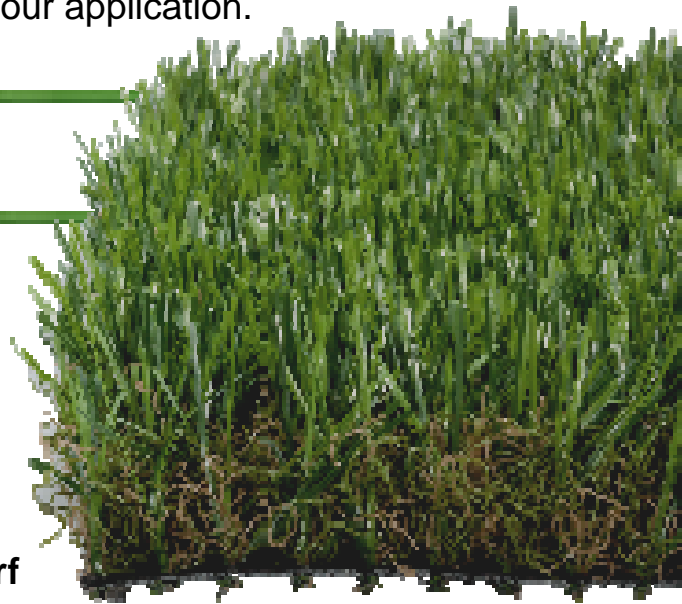

If you are going to be in the Artificial Grass business you want to be associated with, the best, right? That means PreGra™. **Your profits will soar and your business will be easier to grow and operate if you sell and install PreGra™.** The detailed requirements to become a PreGra PRO™ are in our program guide, you will receive once we review your application.

Why Partner with PreGra?

With PreGra, a whole line of Artificial Grasses, manufactured by a highly talented and experienced Artificial Grass manufacturer, located in GEORGIA, USA.

Our artificial grass manufacturing company has been setting the watermark of excellence in artificial grass and synthetic sports field turf products since the early 1970s.

Industry Innovators for more than 40 years, we have consistently improved both our own product offerings; through research and development; as well as, the level of quality, form and function of the product solutions available in the artificial grass market, today

Partner with Proven Industry Leaders

How Can PreGra Products, sold online and in local Costco stores, *be an advantage to MY bottom line?*

Most business managers will tell you that your profits are hidden in your costs of doing business. Time, Fuel & Materials, being #1.

Costco members buy their grass materials, directly from Costco.

Costco Members take YOUR ESTIMATE to their local Costco location, or go online, pre-purchase the artificial grass materials, required. Orders are available for pick-up, in-store, or shipped directly to the member's site!

This one step, reduces your management time, warehouse space, labor, handling, fuel and freight expenses, too!

\$ + You no longer have to take time to order grass or pay its freight!
A huge relief on your time, cash flow, job cost & overhead!

\$ + REDUCE WAREHOUSE SPACE - You don't hold inventory! No more need for all that storage room for large, hard to handle, artificial grass rolls.

\$ + REDUCE YOUR EQUIPMENT COSTS & Overhead!
No need for fork-lift poles or special handling equipment, to move turf!

\$ + No warehouse staff needed to stage artificial grass job materials *Save Labor*

\$ + No need to load artificial grass and deliver to the job site! *Save Fuel & Truck Wear*

**TIME SAVINGS PLUS
FUEL SAVINGS**

Lower Weight | Less Fuel
